IB Region7 Draft -Combined Comments V3.docx

John, I am attaching my comments, if David and Thabet want to review ASAP?. I re-named the file as version 3 (V1- McKernan, V2- Tolyamat/Carson, V3 Barth).

Hi Ed-

Can your comments go into the attached? I've combined Thabet and my comments in one doc...

Thanks,

John

I did print out my comments, so I will edit the document per your initial request and get them to you tomorrow am. I have seven total comments, but they are more clarification type comments
